

Prokord AUDIO-0028

Data sheet

Core Specs

Cable length	3 m
Connector 1	3.5mm
Connector 2	2 x RCA
Product colour	Black

Summary

- ✓ 3m length provides flexible placement between devices and receivers
- ✓ Gold-plated contacts improve conductivity and resist corrosion
- ✓ Straight 3.5mm to dual RCA plugs fit tight setups and AV racks
- ✓ Connects phones, laptops and audio gear to RCA inputs with stereo sound

Product description

Why choose this audio cable?

Prokord Audio 3.5mm Male - 2xRCA Male 3.0m. Use this cable to link devices with a 3.5 mm output to amplifiers or AV equipment with RCA inputs. The 3 m length gives flexible placement, gold-plated contacts help maintain reliable connections, and straight plugs make insertion and routing simple for desk or AV rack setups.

Audio 3.5mm Male - 2xRCA Male 3.0m in short:

- Connects smartphones, laptops, or media players to stereo amplifiers, TVs, or mixers.
- 3 m length for flexible device placement without extra adapters.
- Gold-plated contacts reduce corrosion and support consistent signal transfer.
- Straight 3.5 mm and RCA plugs fit standard jacks for straightforward installation.
- Note: both ends are male, so compatible equipment must have corresponding female sockets.

Product details

The Prokord Audio 3.5mm Male - 2xRCA Male 3.0m provides a straightforward analog connection for left and right audio channels. The cable combines a flexible jacket with durable plugs for regular use in meeting rooms, AV setups, and workstation environments. Its black finish keeps installations discreet while the plated contacts reduce maintenance needs and help preserve signal quality.
