Product description

Why choose this USB-C cable?

USB 3.1 Type C-C Male-Male 1m Black (100W) Cirafon provides a dependable, all-in-one connection for charging and data transfer. It supports USB Power Delivery up to 100W for faster charging of laptops and devices. USB 3.2 Gen 1 compatibility delivers responsive file transfers. The 1 m length and black finish make it practical for everyday desk use and travel.

USB 3.1 Type C-C Male-Male 1m Black (100W) in short:

- USB-C to USB-C, male-to-male connection with reversible plugs for simple, consistent use
- Supports USB Power Delivery up to 100W, suitable for charging laptops, tablets and phones
- USB 3.2 Gen 1 (USB 3.1 Gen 1) compatibility for faster data movement between devices
- 1 m length and durable straight-molded connectors, good for desk setups and portable use
- Sold as a single cable, check device compatibility to ensure full charging and transfer performance

Details

This Cirafon cable links USB-C devices for both power and data in one compact solution. It carries USB Power Delivery so compatible devices can negotiate higher charging power, and it uses USB 3.2 Gen 1 for SuperSpeed transfers. The black, straight-molded connectors are built for regular handling and the single-piece pack keeps ordering simple. Actual charging speed and transfer rates depend on the connected devices and their capabilities.
