Product description

Why choose this USB-C to HDMI adapter?

Prokord USB C - HDMI Adapter 4K@60Hz Premium Metal provides a simple way to connect USB-C laptops and tablets to HDMI displays. It supports 4K at 60Hz for smoother video and sharper images, while its compact metal design makes it reliable for meeting rooms, remote work, and media playback.

USB C - HDMI Adapter 4K@60Hz Premium Metal in short:

- Connects USB-C devices to HDMI displays for presentations, external monitors, and TVs.
- Supports up to 3840 x 2160 at 60Hz, suitable for video playback and detailed content.
- Metal housing with a compact black and silver design for durability and portability.
- Straight male USB-C to female HDMI layout, compatible with standard HDMI cables.
- Sold as a single unit, check that your device supports video output over USB-C.

Product details

The Prokord USB C - HDMI Adapter 4K@60Hz Premium Metal converts a USB-C video output to an HDMI connection, letting you use existing HDMI displays without changing devices. Its metal connector housings add robustness for frequent use and transport. The female HDMI port accepts standard HDMI cables, so you can connect to TVs, projectors, or monitors while keeping setup quick and straightforward.
