Product description

Prokord 7-Port USB Hub with Power Supply – USB 3.0, High-Speed Data Transfer

Maximize your connectivity with the Prokord 7-Port USB 3.0 Hub

Need more USB ports to connect your devices? The Prokord 7-Port USB 3.0 Hub offers a fast and reliable solution to expand your connectivity options. With seven USB 3.0 ports and an external power supply, this hub ensures stable performance even when multiple devices are connected simultaneously.

Key Features:

- Seven USB 3.0 ports for high-speed and efficient data transfer
- External power supply (5V 4A) to handle power-demanding devices
- Overvoltage protection to safeguard your devices from power surges
- Compact and sleek design in silver, perfect for both office and home use
- 25 cm USB cable included for flexible placement

This hub is ideal for users who need to connect multiple devices simultaneously, such as external hard drives, printers, keyboards, and other USB devices. Its compact design makes it easy to place on your desk without taking up much space.

Specifications

User Benefits

- Stable Performance: External power supply ensures all ports receive sufficient power
- Device Protection: Built-in overvoltage protection safeguards your devices
- Compact Design: Takes up minimal desk space and is easy to carry
- Plug and Play: No driver installation required – just connect and use

Upgrade your workstation today! With the Prokord 7-Port USB 3.0 Hub, you get a reliable and efficient solution to manage all your USB devices. Order now and experience smoother connections!
