Product description

CIRAFON USB-C Laptop Charger 65W

Compact, safe and powerful USB-C charger for laptops, tablets and smartphones

CIRAFON USB-C Laptop Charger 65W delivers fast and safe charging for your USB-C devices – at home, in the office or on the go. With support for USB Power Delivery (PD), charging is automatically adjusted to your device for optimal performance.

USB-C & USB-PD – a smart and universal standard

The charger uses USB-C with USB Power Delivery, a modern charging standard used by many of today's devices. This means the charger works with most laptops, tablets and smartphones that support USB-C PD – whether you use a MacBook, PC, Chromebook, tablet or smartphone.

Safe charging you can trust

- CE certified and tested according to European safety standards
- Built-in protection against overvoltage, overheating, short circuit and overload

Perfect to keep in your bag

The compact design makes the charger easy to bring anywhere. Perfect as an extra charger for work, studies and travel.
