

280 Slim Metal WirelessNordic

Data sheet

Summary

- ✓ Slim aluminium full-size keyboard with numeric keypad and Nordic QWERTY layout, good for data entry and general office work.
- ✓ 2.4 GHz RF wireless connection with USB receiver and up to 10 m range, for a clean, cable-free desk.
- ✓ Long keyboard battery life up to 200 hours, mouse battery life around 3.5 months, batteries included to get you started.
- ✓ Low-profile ABS keycaps with 2 mm travel and adjustable keyboard height for a balanced typing feel.
- ✓ Note to consider: keys are not silent, so this set may be less suitable for very quiet environments.

Product description

Why choose this wireless keyboard and mouse set?

Voxicon 280 Slim Metal Wireless is a slim, full-size keyboard and companion mouse designed to reduce desk clutter while keeping everyday tasks efficient and reliable. Its aluminium surface and Nordic QWERTY layout suit extended typing and numeric entry. Wireless 2.4 GHz connectivity with a USB receiver and long battery runtimes cut maintenance needs and keep your workspace tidy.

280 Slim Metal Wireless in short:

- Slim aluminium full-size keyboard with numeric keypad and Nordic QWERTY layout, good for data entry and general office work.
- 2.4 GHz RF wireless connection with USB receiver and up to 10 m range, for a clean, cable-free desk.
- Long keyboard battery life up to 200 hours, mouse battery life around 3.5 months, batteries included to get you started.
- Low-profile ABS keycaps with 2 mm travel and adjustable keyboard height for a balanced typing feel.
- Note to consider: keys are not silent, so this set may be less suitable for very quiet environments.

Design and daily use

The Voxicon 280 Slim Metal Wireless combines a thin aluminium keyboard top with a compact, ergonomic mouse in a black finish. The keyboard follows a three-block full-size design with visible LED indicators for Caps Lock, Num Lock, and Scroll Lock. The tiny USB receiver is included and offers simple plug-and-play setup on Windows, so you can clear cables without extra configuration.

Typing and productivity

The keyboard provides 104 keys and a numeric keypad, which helps with spreadsheets and accounting tasks. Low-profile ABS keycaps with 2 mm travel offer a steady typing rhythm while adjustable feet let you set a comfortable angle. Auto power off and efficient battery use reduce interruptions during long workdays.

Mouse and connectivity

The optical mouse uses 2.4 GHz wireless with a stable connection and responsive 8 ms response time, suitable for everyday navigation and office tasks. It has five buttons and a scroll wheel for standard workflows. The mouse runs on a single AA battery and offers extended runtime, so you spend less time changing batteries. The pair is CE and RoHS certified for regulatory compliance.

Technical Specification Matrix

Header

Manufacturer	Voxicon
--------------	---------

Keyboard

Recommended usage	Universal
Device interface	RF Wireless
Keyboard layout	QWERTY
Keyboard language	Nordic
Keyboard form factor	Full-size (100%)
