- ✓ PVC-free and REACH compliant for reduced chemical concerns
- ✓ Supplied as a single pack, easy to apply and remove

Product description

Why choose this cover?

Zero Gel Drop Safe Cirafon is a slim, semi-transparent smoke TPU cover that balances everyday protection with a discreet look. It cushions shocks from drops up to 1 metre, helps reduce repair and replacement costs, resists scratches, and remains easy to fit and remove for quick device handling.

Zero Gel Drop Safe in short:

- Fits iPhone 7 Plus and iPhone 8 Plus, with precise cutouts for ports and camera
- Flexible thermoplastic polyurethane for shock absorption and a secure grip
- Drop protection up to 1 m and scratch-resistant surface
- PVC-free and REACH compliant for reduced chemical concerns
- Supplied as a single pack, easy to apply and remove

Product details

Zero Gel Drop Safe uses flexible TPU to absorb impacts while maintaining clear access to buttons, speakers, and ports on iPhone 7 Plus and iPhone 8 Plus. The semi-transparent smoke finish preserves the phone’s original design and keeps the appearance low profile. The cover is PVC-free, REACH compliant, and supplied as a single, easy-to-fit piece that stays securely in place during daily use.
