- ✓ Check that your device accepts an IEC C15 connector before purchase.

Product description

Why choose this power cord?

Prokord Power Cord PC Power C15 Output 2.0m Straight White. A practical, easy-to-use replacement cable that keeps desktops, servers, and peripheral equipment powered reliably. The 2.0 m length gives flexible routing while the angled mains plug saves space behind racks and desks, helping reduce strain on wall sockets and improve cable management.

Power Cord PC Power C15 Output 2.0m Straight White in short:

- Connects equipment with an IEC C15 inlet to a grounded mains supply, suitable for PCs, monitors, and other IT gear.
- 2.0 m length for convenient placement without excess slack.
- Angled mains plug helps fit tight spaces behind furniture and racks.
- Straight C15 connector for a secure, low-profile equipment connection.
- Check that your device accepts an IEC C15 connector before purchase.

About this cable

This Prokord cable combines a grounded, angled mains plug with a straight IEC C15 connector in a white finish. It is designed for routine power replacement or spare stock in IT environments, making installation quick and straightforward. The durable moulded ends and strain relief reduce wear from regular handling, so you can keep systems powered with minimal fuss.
