

Laptop Sleeve 16" RFID-Edition 16" Nylon Black

Data sheet

Summary

- ✓ RFID-lined pocket adds data protection for cards and passports during travel.
- ✓ Dedicated laptop compartment fits notebooks up to 16 inches and keeps them snug.
- ✓ Front zip pocket offers quick access to charger, cables and documents, with a clean two-tone look.
- ✓ Removable shoulder strap and carry handle give flexible transport options for different commutes.
- ✓ Consideration: padding is suitable for everyday protection but not for very heavy impacts.

Product description

Why choose this laptop sleeve?

Cirafon Laptop Sleeve 16" RFID-Edition provides secure, compact protection for laptops up to 16 inches. Its durable nylon construction and RFID-lined pocket help protect hardware and sensitive data while you travel. The briefcase-style shape, removable shoulder strap and top carry handle make commutes and site visits easier without adding bulk.

Cirafon Laptop Sleeve 16" RFID-Edition in short:

- RFID-lined pocket adds data protection for cards and passports during travel.
- Dedicated laptop compartment fits notebooks up to 16 inches and keeps them snug.
- Front zip pocket offers quick access to charger, cables and documents, with a clean two-tone look.
- Removable shoulder strap and carry handle give flexible transport options for different commutes.
- Consideration: padding is suitable for everyday protection but not for very heavy impacts.

Cirafon Laptop Sleeve 16" RFID-Edition

Cirafon Laptop Sleeve 16" RFID-Edition organizes and protects a laptop and essential accessories in a slim, briefcase-style design. The main compartment closes with a full zipper and the padded notebook pocket reduces movement and surface scratches. A front zippered pocket stores chargers and documents for easy access. Carry it by the top handle or attach the removable shoulder strap for hands-free transport. The internal notebook compartment measures 380 x 35 x 280 mm to help confirm compatibility with your device.
