- ✓ Good choice for departments that need steady, monochrome printing without frequent cartridge changes.
- ✓ Check printer model compatibility before purchase to ensure proper fit and performance.

Product description

Why choose this toner cartridge?

Toner Black 3K - L2510 - TN2420 Gilford is a compatible black toner cartridge designed to deliver reliable, everyday printing at a predictable cost per page. It helps you keep routine document printing consistent and affordable, while fitting into common Brother laser printers for quick replacement and minimal downtime.

- Compatible black toner with an approximate page yield of 3,000 pages, suitable for regular office print volumes.
- Works with a range of Brother laser models, including DCP-L2510, HL-L2350DW, MFC-2730DW, and others listed in the compatibility set.
- Supplied as a single pack with one cartridge, ready to install straight from the Gilford-branded box.
- Good choice for departments that need steady, monochrome printing without frequent cartridge changes.
- Check printer model compatibility before purchase to ensure proper fit and performance.

Toner Black 3K - L2510 - TN2420

This Gilford toner cartridge provides straightforward black-and-white printing for document-heavy environments. The cartridge installs like a standard Brother toner and is intended to replace the OEM part in the compatible models referenced. With a 3,000-page yield it supports consistent output for reports, invoices, and everyday office paperwork. The product ships in Gilford-branded packaging and includes one cartridge per pack for immediate use.
