

Toner Cyan 508X 9.5K - Clj Ent M552/M553 - Cf361x

Data sheet

Summary

- ✓ High-yield cyan toner, approximately 9,500 pages, suitable for busy office environments and bulk print jobs.
- ✓ Compatible replacement for HP Color LaserJet Enterprise M552/M553 series and related MFP models, supporting everyday colour documents and marketing prints.
- ✓ Supplied as a single pack, one cartridge per box, ready for direct installation.
- ✓ Cost-effective alternative to original HP cartridges, designed for consistent colour output and fewer replacements.
- ✓ Note: This is a compatible third-party cartridge, not an original HP product; confirm printer compatibility before purchase.

Product description

Why choose this toner cartridge?

Gilford Toner Cyan 508X 9.5K - Clj Ent M552/M553 - Cf361x delivers reliable cyan output for high-volume colour printing, helping reduce downtime and supply costs. It fits HP Color LaserJet Enterprise M552 and M553 series printers and is easy to install, so you can keep document colour consistent across reports and client materials.

Toner Cyan 508X 9.5K - Clj Ent M552/M553 - Cf361x in short:

- High-yield cyan toner, approximately 9,500 pages, suitable for busy office environments and bulk print jobs.
- Compatible replacement for HP Color LaserJet Enterprise M552/M553 series and related MFP models, supporting everyday colour documents and marketing prints.
- Supplied as a single pack, one cartridge per box, ready for direct installation.
- Cost-effective alternative to original HP cartridges, designed for consistent colour output and fewer replacements.
- Note: This is a compatible third-party cartridge, not an original HP product; confirm printer compatibility before purchase.

Product details

The cartridge is designed to match the CF361X series form factor and provide consistent cyan coverage for business reports, brochures, and internal communications. You get a single, ready-to-install unit that reduces the frequency of cartridge changes thanks to its high yield. Choose this cartridge when you need dependable colour performance and lower running costs for HP Color LaserJet Enterprise M552/M553 family printers.
