

Toner Black 30A 1.6K - M203 - Cf230A

Data sheet

Summary

- ✓ Compatible replacement for HP LaserJet Pro M200 and M227 series printers, including common M203 and M227 configurations.
- ✓ Up to 1,600-page black toner yield, suited for routine office printing such as reports and invoices.
- ✓ Single-pack supply, one cartridge per Gilford-branded box for easy inventory management.
- ✓ Fits the CF230A/30A slot for quick, one-to-one replacement and straightforward servicing.
- ✓ Purchase note: this is an aftermarket compatible cartridge, selected for lower cost per page compared with original cartridges.

Product description

Why choose this toner cartridge?

Gilford Toner Black 30A 1.6K - M203 - Cf230A is a compatible black toner cartridge that yields up to 1,600 pages. It provides a cost-efficient replacement for HP LaserJet Pro M200- and M227-series printers, lowering running costs while maintaining consistent black text quality. The cartridge is supplied as a single pack and arrives in Gilford branded packaging for straightforward storage and handling.

Toner Black 30A 1.6K - M203 - Cf230A in short:

- Compatible replacement for HP LaserJet Pro M200 and M227 series printers, including common M203 and M227 configurations.
- Up to 1,600-page black toner yield, suited for routine office printing such as reports and invoices.
- Single-pack supply, one cartridge per Gilford-branded box for easy inventory management.
- Fits the CF230A/30A slot for quick, one-to-one replacement and straightforward servicing.
- Purchase note: this is an aftermarket compatible cartridge, selected for lower cost per page compared with original cartridges.

Product details

Gilford Toner Black 30A 1.6K - M203 - Cf230A fits directly into the specified HP LaserJet Pro printers and serves as a one-to-one replacement for the CF230A/30A cartridge. It handles monochrome document printing, delivering clear text and reliable page yield for everyday office use. The cartridge ships in Gilford branded packaging with protective seals to help prevent toner loss during transport, so it arrives ready for quick installation.
