- ✓ Note: this is a compatible third-party cartridge, so verify printer model compatibility before purchase.

Product description

Why choose this toner cartridge?

Toner black Mlt-D111I 1.8K - SU799A Gilford delivers dependable monochrome prints for routine office and admin workflows. With an 1,800-page yield it helps reduce downtime and lower per-page costs. The compatible design works with many Samsung Xpress printers so you can keep devices running with straightforward installation and consistent output.

Toner black Mlt-D111I 1.8K - SU799A in short:

- Compatible black toner cartridge for Samsung Xpress M and SL-M series, covering common models such as M2020, M2021, M2022 and M2070 lines.
- Approximately 1,800 pages per cartridge, suitable for regular document printing and office handouts.
- Supplied as a single pack, one cartridge per box.
- Branded Gilford packaging for easy storage and identification.
- Note: this is a compatible third-party cartridge, so verify printer model compatibility before purchase.

Product details

This Gilford toner cartridge replaces the standard monochrome consumable used in a range of Samsung Xpress printers. It is designed for everyday printing tasks like invoices, reports and meeting materials. The cartridge is user-replaceable and comes in Gilford-branded packaging for straightforward handling and inventory. Using a compatible cartridge can lower operating costs while maintaining reliable print performance across supported devices.
