Product description

Why choose this toner?

Toner Black Mlt-D116s 1.2K - SU840A Gilford supplies a reliable, cost-effective black toner option for compatible Samsung printers. It produces up to 1,200 pages at standard coverage, helping to manage consumable costs for routine office printing. The cartridge is easy to install and delivers consistent text clarity for documents and reports.

Toner Black Mlt-D116s 1.2K - SU840A in short:

- Compatible replacement for a wide range of Samsung ProXpress and Xpress M series printers, including SL-M2625, SL-M2826 and Xpress M2875.
- 1,200-page black yield at standard coverage, suitable for everyday document printing.
- Single pack, one cartridge per box, supplied in Gilford-branded packaging.
- The cartridge arrives with a removable orange transport protector to keep components secure during shipping.
- Confirm your printer model against the supported list before purchase.

Product details

The cartridge supplies black toner for clear, legible text and basic graphics. It fits directly into the supported Samsung ProXpress and Xpress M series machines for quick replacement and minimal downtime. Remove the orange transport protector before installation. The product is packaged to protect the cartridge during transit and is intended as a compatible alternative to original manufacturer consumables.
