- ✓ Single pack, supplied as one cartridge in Gilford-branded packaging with a protective orange carrier.
- ✓ Designed for straightforward replacement in home offices and small administrative departments.

Product description

Why choose this ink cartridge?

Ink Black No.934XI - C2p23AE Gilford delivers pigment-based black prints that keep text sharp and readable while helping reduce reprints and supply costs. It fits a wide range of HP OfficeJet and OfficeJet Pro models, arrives in protective packaging, and installs quickly for fast replacement in busy home offices and small administrative teams.

Ink Black No.934XI - C2p23AE in short:

- Pigment-based black ink for crisp, water-resistant text suited to invoices, reports, and multi-page documents.
- Estimated 1000-page yield for balanced cost and everyday printing needs.
- Compatible with HP OfficeJet and OfficeJet Pro series, including 6200, 6800, 6820, and 6830 families.
- Single pack, supplied as one cartridge in Gilford-branded packaging with a protective orange carrier.
- Designed for straightforward replacement in home offices and small administrative departments.

Product details

Ink Black No.934XI - C2p23AE is a compatible replacement cartridge that provides consistent black density across runs of text-heavy documents. The pigment formulation improves legibility and resistance to smudging, while the 1000-page yield helps control operating costs. The cartridge ships ready to install and is secured in a Gilford box with a protective carrier to keep it stable during transport and handling.
