Product description

Why choose this toner cartridge?

Gilford Toner Black 046H 6.3K - Mf732 - 1254C002 gives you a high-yield, reliable black toner option that reduces how often you replace cartridges. It delivers consistent text density and economical cost per page, so you can keep office printing running smoothly with fewer interruptions and predictable supply costs.

Toner Black 046H 6.3K - Mf732 - 1254C002 in short:

- Compatible black toner cartridge by Gilford for Canon devices, designed as a cost-effective replacement.
- High yield of 6,300 pages, suitable for busy small offices and shared workgroup printers.
- Single pack, one cartridge per box, for easy stock management.
- Fits Canon Color imageCLASS MF 730–735 series and I-SENSYS LBP/MF 650–654 series models.
- Verify your printer model before purchase to ensure full compatibility.

Practical use and compatibility

The Gilford Toner Black 046H 6.3K - Mf732 - 1254C002 is a drop-in replacement that supports routine black printing needs across compatible Canon imageCLASS and I-SENSYS models. It focuses on dependable text output and straightforward installation so you can minimise downtime. Use it where regular document printing is required and where predictable running costs matter.
