- ✓ Fits Canon imageCLASS and I-SENSYS printers for easy sourcing.
- ✓ Cost-effective compatible option reduces toner spend per page.
- ✓ Single-pack cartridge streamlines inventory and replenishment.

# Product description

## Why choose this toner cartridge?

Toner Cyan 046H 5K - Mf732 - 1253C002 Gilford offers a cost-conscious replacement for Canon colour laser printers. It delivers up to 5,000 pages of cyan output, helping you manage print costs while maintaining consistent colour for business documents and reports. The cartridge is easy to install and suits mixed office environments where reliable colour output matters.

## Toner Cyan 046H 5K - Mf732 - 1253C002 in short:

- Compatible, third-party cyan toner designed for Canon imageCLASS and I-Sensys printers.
- Rated yield of approximately 5,000 colour pages, suitable for medium-volume colour printing.
- Single-pack supply, one cartridge per box, supplied in Gilford branded packaging.
- Works with multiple models including imageCLASS MF 730/731/732/733/734/735 series and I-Sensys LBP-650/653/654 families.
- Note: this is a compatible cartridge, not an original Canon part; check printer warranty and support policies if concerned.

## Product details

Toner Cyan 046H 5K - Mf732 - 1253C002 is designed to replace cyan toner in supported Canon devices, providing dependable colour for everyday office printing. It fits the listed imageCLASS and I-Sensys models and is supplied as a single pack for straightforward stocking. The cartridge is intended for business use where predictable page yield and consistent colour are important for reports, presentations, and client materials.
