Summary

- ✓ Keeps the display close to the wall for a tidy installation in meeting rooms, lobbies, or retail spaces.
- ✓ Fits screens from 37" to 70" and supports VESA patterns from 200 x 200 to 600 x 600 mm.
- ✓ Slim profile with adjustable depth up to 20 mm for precise alignment and cable clearance.
- ✓ Supports loads up to 40 kg, so check your display weight and VESA pattern before purchase.
- ✓ Supplied as a single unit, sold per display for one-screen installations.

Product description

Why choose this wall mount?

Prokord Superslim Fixed Wall Mount provides a low-profile, dependable solution for mounting a single large display. It keeps screens close to the wall to save space and create a clean appearance. The mount accepts common VESA patterns up to 600 x 600 mm and offers a solid load capacity for steady, long-term installations, while remaining straightforward to fit and align.

Superslim Fixed Wall Mount in short:

- Keeps the display close to the wall for a tidy installation in meeting rooms, lobbies, or retail spaces.
- Fits screens from 37" to 70" and supports VESA patterns from 200 x 200 to 600 x 600 mm.
- Slim profile with adjustable depth up to 20 mm for precise alignment and cable clearance.
- Supports loads up to 40 kg, so check your display weight and VESA pattern before purchase.
- Supplied as a single unit, sold per display for one-screen installations.

Superslim Fixed Wall Mount

Prokord Superslim Fixed Wall Mount secures a single flat-panel display with a slim 20 mm profile, making it suitable where a low visual impact is important. It supports a broad range of VESA interfaces so you can mount different display models without swapping hardware. The adjustable depth helps you achieve a neat fit and provides room for cabling, while the mount's robust design supports stable, long-term use.
