Product details

The O4 VESA Gas Lift Arm 10"-32" Dual Fixed Premium holds two monitors and lets you fine-tune viewing angles with tilt, a wide pan range, and 180 degree rotation for switching between landscape and portrait. It mounts to the desk using screws and a clamp, so setup is straightforward without permanent alterations to furniture. Integrated cable management keeps power and display cables hidden along the arms. With a compact footprint and robust materials, this arm is suited to multi-screen workstations where adjustability and a cleaner desk layout are priorities.
