

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m 10pcsRJ-45 Cat 6 1.5m White

Data sheet

Summary

- ✓ Pack of 10 white Cat6 UTP patch cables, 2 m each, for patch panels, switches and wall outlets.
- ✓ Supports up to 10000Mbit/s and 250 MHz, suitable for fast LAN links and short-distance 10 Gbit/s connections.
- ✓ LSZH jacket minimizes smoke and corrosive gases, suited to enclosed or public spaces with safety requirements.
- ✓ RJ-45 male-to-male connectors with moulded boots and 26 AWG copper conductors, compatible with PoE devices.
- ✓ Not intended for outdoor exposure or direct burial; consider longer runs when planning large installations.

Product description

Why choose this cable?

Prokord TP-Cable UTP CAT.6 Unshielded LSZH RJ45 2m 10pcs delivers dependable connectivity for office and data centre environments. It supports high data rates up to 10000Mbit/s and operates to 250 MHz, while copper conductors and an LSZH jacket improve signal reliability and safety. PoE compatibility streamlines device deployment and reduces the need for separate power cabling.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m 10pcs in short:

- Pack of 10 white Cat6 UTP patch cables, 2 m each, for patch panels, switches and wall outlets.
- Supports up to 10000Mbit/s and 250 MHz, suitable for fast LAN links and short-distance 10 Gbit/s connections.
- LSZH jacket minimizes smoke and corrosive gases, suited to enclosed or public spaces with safety requirements.
- RJ-45 male-to-male connectors with moulded boots and 26 AWG copper conductors, compatible with PoE devices.
- Not intended for outdoor exposure or direct burial; consider longer runs when planning large installations.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 2m 10pcs

These Prokord patch cables provide a simple, reliable way to connect network equipment. The unshielded twisted-pair design keeps installation straightforward in typical indoor environments, while moulded RJ-45 boots offer strain relief at the connectors. The LSZH jacket helps meet safety standards in confined spaces. Use the cables for switches, routers, wireless access points, IP phones and other PoE-capable devices.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	1.5 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	White

Jacket material	LSZH
Conductor material	Copper
AWG wire size	26
Data transfer rate	10000 Mbit/s
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	10 pc(s)
-------------------	----------

Logistics data

Harmonized System (HS) code	84733080
