

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 3m 10pcsRJ-45 Cat 6 3m Green

Data sheet

Summary

- ✓ Cat 6 patch cables suited for short-range high-speed links, for example connecting switches, routers, and desktop systems.
- ✓ Low smoke zero halogen jacket makes the cables appropriate for use in offices, meeting rooms, and public areas where safety is a concern.
- ✓ Pack of 10 in green, useful for bulk deployments and visual cable organisation.
- ✓ Compatible with Power over Ethernet, so you can power access points and IP phones over the same cable.
- ✓ Note that these are unshielded U/UTP cables, so they are best used where electromagnetic interference is not a major issue.

Product description

Why choose this ethernet cable?

Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 3m 10pcs. This pack of ten green Cat 6 Ethernet cables provides reliable 3 m connections for office patching, switch-to-server links, and workstation setup. LSZH jackets reduce smoke and toxic gases in confined spaces. The cables support PoE and high-speed data transfers, offering consistent performance while simplifying cable management and color coding.

TP-Cable UTP CAT.6 Unshielded Lszh RJ45 3m 10pcs in short:

- Cat 6 patch cables suited for short-range high-speed links, for example connecting switches, routers, and desktop systems.
- Low smoke zero halogen jacket makes the cables appropriate for use in offices, meeting rooms, and public areas where safety is a concern.
- Pack of 10 in green, useful for bulk deployments and visual cable organisation.
- Compatible with Power over Ethernet, so you can power access points and IP phones over the same cable.
- Note that these are unshielded U/UTP cables, so they are best used where electromagnetic interference is not a major issue.

Cable use and compatibility

The Prokord TP-Cable UTP CAT.6 Unshielded Lszh RJ45 3m 10pcs connects devices with standard RJ-45 ports and delivers consistent performance for everyday network tasks. The 3 m length keeps patch panels and workstations tidy without excess slack. Copper conductors and Cat 6 design support modern gigabit and multi-gigabit needs on short runs, while the LSZH jacket improves safety in enclosed spaces. Choose this pack when you need colour-coded, PoE-capable cabling for organised, reliable installations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Cable standard	Cat 6
Cable shielding	U/UTP (UTP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male

Product colour	Green
Jacket material	LSZH
Conductor material	Copper
AWG wire size	26
Data transfer rate	10000 Mbit/s
Frequency	250 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	10 pc(s)
-------------------	----------

Logistics data

Harmonized System (HS) code	84733080
