

Network cable 10-PcsRJ-45 Cat 6A 0.5m Green

Data sheet

Summary

- ✓ Ten 0.5 m green Cat 6A patch cables, suited for short connections between switches, patch panels and servers.
- ✓ S/FTP shielding and copper conductors help maintain stable 10 Gbit/s links in high-density environments.
- ✓ LSZH jacket reduces smoke and toxic gases, supporting safer indoor installations.
- ✓ Supports Power over Ethernet, useful for IP phones, access points and other PoE devices.
- ✓ Short length means these are best for tidy, close-proximity connections; plan rack layout and cable management accordingly.

Product description

Why choose these network cables?

Prokord Network cable 10-Pcs are a pack of ten short patch leads designed to keep rack and desk connections tidy while delivering reliable, high-speed links. Cat 6A construction with S/FTP shielding and copper conductors supports 10 Gbit/s and reduces interference in dense installations. The green LSZH jacket and Power over Ethernet support make them practical for office and data center use.

Network cable 10-Pcs in short:

- Ten 0.5 m green Cat 6A patch cables, suited for short connections between switches, patch panels and servers.
- S/FTP shielding and copper conductors help maintain stable 10 Gbit/s links in high-density environments.
- LSZH jacket reduces smoke and toxic gases, supporting safer indoor installations.
- Supports Power over Ethernet, useful for IP phones, access points and other PoE devices.
- Short length means these are best for tidy, close-proximity connections; plan rack layout and cable management accordingly.

Product details

These cables combine Cat 6A performance with full shielding to limit crosstalk and external interference for short-distance patching. The 26 AWG copper conductors and metal RJ-45 plugs provide dependable contact and consistent throughput. Supplied as a 10-piece pack, they simplify ordering and spare management for network closets and compact installations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.5 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	10 pc(s)
-------------------	----------

Logistics data

Harmonized System (HS) code	84733080
