

TP-Cable S/FTP RJ45 2m 10pcsRJ-45 Cat 6A 2m Green

Data sheet

Summary

- ✓ Cat 6A S/FTP cable, suitable for 10 Gbit/s links and high-frequency networks up to 500 MHz, ideal for switches, patch panels, and server connections.
- ✓ Metal-shielded RJ-45 male connectors provide improved EMI protection and secure mating with shielded ports.
- ✓ Pack of ten 2 m cables, useful for short runs between racks, desktops, access points, and network devices.
- ✓ LSZH jacket and PoE support make the cables suitable for indoor wiring where low smoke and powering devices are needed.
- ✓ Green colour aids identification in dense cabling; consider colour when planning your rack and cable labeling.

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP RJ45 2m 10pcs gives you shielded Cat 6A performance for reliable 10 Gbit/s connections. The S/FTP design reduces interference in crowded racks. LSZH jackets improve safety in confined spaces. A 2 m length and ten cables per pack help keep installation times and costs down while simplifying cable management.

TP-Cable S/FTP RJ45 2m 10pcs in short:

- Cat 6A S/FTP cable, suitable for 10 Gbit/s links and high-frequency networks up to 500 MHz, ideal for switches, patch panels, and server connections.
- Metal-shielded RJ-45 male connectors provide improved EMI protection and secure mating with shielded ports.
- Pack of ten 2 m cables, useful for short runs between racks, desktops, access points, and network devices.
- LSZH jacket and PoE support make the cables suitable for indoor wiring where low smoke and powering devices are needed.
- Green colour aids identification in dense cabling; consider colour when planning your rack and cable labeling.

Prokord TP-Cable S/FTP RJ45 2m 10pcs

This Prokord cable set uses 26 AWG copper conductors to deliver consistent signal quality and flexible routing around equipment. The S/FTP construction limits crosstalk and external interference, helping maintain throughput in mixed-cable environments. With standard RJ-45 male connectors and PoE compatibility, the cables connect common network devices and powered endpoints without extra adapters.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	2 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	10 pc(s)
-------------------	----------

Logistics data

Harmonized System (HS) code	84733080
-----------------------------	----------
