

Toner Kit (B/C/m/Y) 508X 12.5K/9.5K

Data sheet

Summary

- ✓ Compatible single-pack cartridge that lowers per-page costs compared with many OEM options.
- ✓ High-yield black cartridge rated for up to 12,500 pages, suited to sustained monochrome printing.
- ✓ Arrives with an orange removable protective cover for secure transport and quick installation.
- ✓ Simple to replace, fits established laser workflows and helps reduce downtime.
- ✓ Check printer compatibility before purchase, especially for models that require manufacturer-specific toner.

Product description

Why choose this toner kit?

Gilford Toner Kit (B/C/m/Y) 508X 12.5K/9.5K provides a cost-effective, high-yield black cartridge rated up to 12,500 pages. It reduces your per-page printing cost and keeps routine print tasks moving with consistent output. The compatible single-pack format makes replacement simple and integrates easily into common laser-printing workflows.

Gilford Toner Kit (B/C/m/Y) 508X 12.5K/9.5K in short:

- Compatible single-pack cartridge that lowers per-page costs compared with many OEM options.
- High-yield black cartridge rated for up to 12,500 pages, suited to sustained monochrome printing.
- Arrives with an orange removable protective cover for secure transport and quick installation.
- Simple to replace, fits established laser workflows and helps reduce downtime.
- Check printer compatibility before purchase, especially for models that require manufacturer-specific toner.

Product details

Gilford Toner Kit (B/C/m/Y) 508X 12.5K/9.5K is a compatible replacement designed for everyday office use. The single-pack cartridge installs quickly and delivers steady monochrome output for routine documents and high-volume jobs. It ships with a protective cover to prevent damage in transit and to make installation straightforward. Make sure your printer model supports compatible supplies to ensure reliable performance.
