- ✓ USB 2.0 at 480 Mbit/s syncs files quickly for everyday tasks
- ✓ Delivers up to 12W via USB Power Delivery for reliable top-ups
- ✓ TPE jacket and straight male plugs add flexibility and everyday durability

Product description

Why choose this cable?

AM To Lightning Cable 0.15m - Black - New Mfi, Cirafon. This short USB-A to Lightning cable reduces desk and pocket clutter while providing reliable charging and data sync. Its compact length and flexible TPE jacket make it convenient for use with power banks, car chargers, or next to a laptop. It supports standard USB 2.0 data rates and moderate charging power.

AM To Lightning Cable 0.15m - Black - New Mfi in short:

- Connects a USB-A port to Lightning devices for charging and data sync, suitable for iPhone and iPad models with a Lightning port.
- Very short 0.15 m length keeps your device close to the power source, useful with power banks, car chargers, or tight workspaces.
- Supports USB 2.0 data transfer up to 480 Mbit/s and charging up to 12W via USB Power Delivery.
- TPE jacket and straight male connectors provide flexibility and everyday durability.
- Consider the short cable length before purchase if you need more reach between devices.

Product details

AM To Lightning Cable 0.15m - Black - New Mfi offers straightforward plug-and-play charging and file syncing between USB-A hosts and Lightning devices. With up to 12W charging at 5V and 480 Mbit/s transfer speed, it handles routine top-ups and everyday data moves. The TPE jacket and straight male connectors improve flexibility and strain relief for frequent handling. Supplied as one cable per pack.
