

Ink Black LC-3239Xlbk 6K - LC3239xlbk

Data sheet

Summary

- ✓ High (XL) yield, up to 6000 pages, for fewer replacements and lower running interruptions.
- ✓ Pigment-based black ink for sharp, smudge-resistant text and strong document legibility.
- ✓ Single pack supply, one cartridge per pack, for simple inventory handling.
- ✓ Suited to high-volume document production and shared workgroup printers.
- ✓ Verify printer compatibility before purchase; compatible with select Brother models such as HL-J6000DW, J6100DW, MFC-J5945DW, J6945DW, and J6947DW.

Product description

Why choose this ink cartridge?

Gilford Ink Black LC-3239Xlbk 6K - LC3239xlbk delivers reliable, high-volume black printing with a pigment-based formulation and a page yield of up to 6000 pages. It reduces cartridge changes and helps maintain consistent, professional text output across large print runs, making it suited to busy office workflows and service environments.

Ink Black LC-3239Xlbk 6K - LC3239xlbk in short:

- High (XL) yield, up to 6000 pages, for fewer replacements and lower running interruptions.
- Pigment-based black ink for sharp, smudge-resistant text and strong document legibility.
- Single pack supply, one cartridge per pack, for simple inventory handling.
- Suited to high-volume document production and shared workgroup printers.
- Verify printer compatibility before purchase; compatible with select Brother models such as HL-J6000DW, J6100DW, MFC-J5945DW, J6945DW, and J6947DW.

Gilford Ink Black LC-3239Xlbk 6K - LC3239xlbk

This Gilford cartridge provides consistent black output ideal for reports, invoices, and other text-heavy documents. The high-yield design reduces the frequency of replacements, which helps keep your printers running and lowers support overhead. The pigment formulation produces crisp, durable text that is suitable for professional documents and archiving. The single-pack format makes it easy to order and store spare cartridges for continuous operation.
