- ✓ Practical choice for offices and workgroups with steady black-and-white printing needs.

Product description

Why choose this ink cartridge?

Gilford Ink Black Pgi-580Pgbk Xxl - Ts6150/8150 - 1970C001 delivers pigment-based black ink with consistent, sharp text and graphics. Its high (XL) capacity yields up to 397 pages, reducing the need for frequent replacements and helping to control running costs for everyday document printing.

Ink Black Pgi-580Pgbk Xxl - Ts6150/8150 - 1970C001 in short:

- High (XL) yield black cartridge, estimated 397 pages per cartridge.
- Pigment-based ink for durable, legible text and office graphics.
- Single pack supply, one cartridge per purchase for simple stocking.
- Designed for printers that use the PGI-580Pgbk series, suitable for supported TS6150 and TS8150 family models.
- Practical choice for offices and workgroups with steady black-and-white printing needs.

Product details

This Gilford cartridge provides reliable black output for routine document workflows. The pigment formulation helps maintain clear, smudge-resistant text and crisp line work, while the XL capacity reduces cartridge changes during busy printing periods. Packaged as a single unit, it is straightforward to store and replace when needed.
