Ink Magenta Cli-581m Xxl - Ts6150/8150 - 1996C001

Data sheet

Summary

- ✓ High (XL) yield magenta cartridge, designed to cut replacement frequency.
- ✓ Pigment-based ink for stable, fade-resistant colour in documents and graphics.
- ✓ Typical page yield around 397 pages, suitable for regular office printing needs.
- ✓ Supplied as a single pack, one cartridge per box, with protective transport clip visible on the cartridge.
- ✓ Well suited for colour prints such as marketing materials, client presentations and internal reports.

Product description

Why choose this ink cartridge?

Gilford Ink Magenta Cli-581m Xxl - Ts6150/8150 - 1996C001 delivers consistent magenta prints with a high-yield design that reduces cartridge changes and keeps colour output uniform across documents. The pigment-based formulation provides vivid, long-lasting colour, making it suitable for presentations, brochures and other colour-critical materials.

Gilford Ink Magenta Cli-581m Xxl - Ts6150/8150 - 1996C001 in short:

- High (XL) yield magenta cartridge, designed to cut replacement frequency.
- Pigment-based ink for stable, fade-resistant colour in documents and graphics.
- Typical page yield around 397 pages, suitable for regular office printing needs.
- Supplied as a single pack, one cartridge per box, with protective transport clip visible on the cartridge.
- Well suited for colour prints such as marketing materials, client presentations and internal reports.

Gilford Ink Magenta Cli-581m Xxl - Ts6150/8150 - 1996C001

This magenta cartridge replaces the magenta supply in compatible TS6150 and TS8150 printers and focuses on dependable colour reproduction over long print runs. Its XL capacity helps reduce downtime and lowers the frequency of cartridge changes. The pigment-based ink preserves colour fidelity for documents that need to remain clear and professional. The cartridge ships as a single unit with a protective clip for safe handling and installation.
