

Toner Black - Phaser 6022/Ni, Wc 6027/Ni-106R02759

Data sheet

Summary

- ✓ Black laser toner compatible with Phaser 6022/Ni and Wc 6027/Ni devices.
- ✓ High yield of approximately 18,000 pages, useful for steady-volume document workflows.
- ✓ Supplied as a single pack, one cartridge per box for simple stock management.
- ✓ Produces clear, sharp text and consistent monochrome prints for reports and forms.
- ✓ Consideration: suitable only for devices compatible with this specific toner model.

Product description

Why choose this toner cartridge?

Gilford Toner Black - Phaser 6022/Ni, Wc 6027/Ni-106R02759 delivers consistent, professional monochrome output with a high page yield of 18,000 pages. It reduces replacement frequency and helps control running costs, while offering straightforward installation and reliable performance for everyday document printing in office environments.

Gilford Toner Black - Phaser 6022/Ni, Wc 6027/Ni-106R02759 in short:

- Black laser toner compatible with Phaser 6022/Ni and Wc 6027/Ni devices.
- High yield of approximately 18,000 pages, useful for steady-volume document workflows.
- Supplied as a single pack, one cartridge per box for simple stock management.
- Produces clear, sharp text and consistent monochrome prints for reports and forms.
- Consideration: suitable only for devices compatible with this specific toner model.

Product details

The Gilford Toner Black - Phaser 6022/Ni, Wc 6027/Ni-106R02759 is a single-pack cartridge designed for routine monochrome printing where predictable output and longer service intervals matter. The cartridge fits compatible printers with minimal effort and the higher yield lowers the frequency of replacements and associated downtime. It ships in a blue and white Gilford box that protects the cartridge during storage and transport, so you can keep spare stock on hand and replace items quickly when needed.
