- ✓ High (XL) yield black cartridge rated for approximately 3500 pages, suitable for regular document printing.
- ✓ Pigment-based ink for clear, durable text that resists smudging and light moisture.
- ✓ Supplied as a single pack, one cartridge per purchase, for straightforward stocking and replacement.
- ✓ Remanufactured cartridge that balances cost efficiency with dependable output.
- ✓ Designed for select HP PageWide printers, verify model compatibility before purchase.

Product description

Why choose this ink cartridge?

Gilford Ink Black No.913A 3.5K - Pw 377/452/477/552 L0R95AE delivers consistent, high-volume black prints with a 3500-page yield. The pigment-based formulation produces sharp, water-resistant text and reduces how often you change cartridges, so you can keep print jobs moving with minimal interruption.

Gilford Ink Black No.913A 3.5K - Pw 377/452/477/552 L0R95AE in short:

- High (XL) yield black cartridge rated for approximately 3500 pages, suitable for regular document printing.
- Pigment-based ink for clear, durable text that resists smudging and light moisture.
- Supplied as a single pack, one cartridge per purchase, for straightforward stocking and replacement.
- Remanufactured cartridge that balances cost efficiency with dependable output.
- Designed for select HP PageWide printers, verify model compatibility before purchase.

Product details

This remanufactured Gilford cartridge is intended for everyday, volume printing where legibility matters. The high-yield capacity reduces interruptions for replacement and helps lower per-page cost. Pigment-based black ink gives durable, readable documents that stand up to handling and light moisture. The cartridge is delivered as a single unit and is built for easy fit and replacement to keep your workflow efficient.
