

Prokord PB-DVI24+1 2M

Data sheet

Core Specs

Cable length	2 m
Connector 1	DVI-D
Connector 2	DVI-D
Product colour	Black

Summary

- ✓ Dual link DVI-D supports high bandwidth for high-res displays
- ✓ Gold plated 24+1 pins reduce corrosion, ensure reliable signal
- ✓ Tinned copper conductors with foil and braid shielding cut interference
- ✓ Flexible TPE jacket and 7.3mm diameter for neat cable routing
- ✓ Screw-lock straight male connectors secure connections in installs

Product description

Why choose this DVI cable?

Prokord BLACK EDITION is a 2 meter DVI-D cable built for reliable dual link video transmission. It delivers stable, high-bandwidth connections for high-resolution displays while the TPE jacket and robust shielding reduce interference and improve long-term durability. The gold plated contacts and straight male connectors provide secure, corrosion-resistant connections for fixed AV and workstation setups.

BLACK EDITION in short:

- Dual link DVI-D connection for high-resolution displays and graphics workflows.
- Gold plated 24+1 male connectors with straight form factor and screw-locks for secure, low-resistance contact.
- Tinned copper conductors with aluminum foil and braid shielding, and a TPE jacket to help maintain signal integrity in installed environments.
- 2 m length, 30 AWG wiring and compact 7.3 mm diameter for tidy routing on desktops and in rack setups.
- Consideration: fixed 2 m length may not suit installations that require longer cable runs.

Prokord BLACK EDITION

When you connect DVI-D sources to displays or projectors, this cable keeps signal quality steady for demanding digital video use. The 24+1 pin dual link design supports higher bandwidth needs for detailed images and graphics. Visible screw-lock connectors help prevent accidental disconnection. Gold plated contacts and layered shielding reduce corrosion and interference, and the flexible TPE jacket makes routing straightforward for conference rooms, AV installs, and graphics workstations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	2 m
Connector 1	DVI-D
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 1 pinout	24+1
Connector 2	DVI-D
Connector 2 gender	Male
Connector 2 form factor	Straight

Connector 2 pinout	24+1
Product colour	Black
HDCP	No
Cable material	Tinned copper
Dual Link DVI	Yes
AWG wire size	30AWG
Connector contacts plating	Gold
Cable jacket material	TPE
Quantity per pack	1 pc(s)

Weight & dimensions

Weight	480 g
Cable diameter	7.3 mm
Package weight	480 g
