

Prokord PB-DVI24+1 3M

Data sheet

Core Specs

Cable length	3 m
Connector 1	DVI-D
Connector 2	DVI-D
Product colour	Black

Summary

- ✓ 3 m dual link DVI-D cable supports higher-resolution digital displays
- ✓ Gold plated contacts and tinned copper conductors reduce signal loss
- ✓ Aluminum foil and braid shielding cut interference for stable video
- ✓ TPE jacket and 7.3 mm diameter keep the cable durable and flexible
- ✓ Straight male connectors with thumbscrews ensure secure, low-profile fit

Product description

Why choose this DVI cable?

Prokord BLACK EDITION is a 3 m dual link DVI cable designed for reliable digital video connections. It pairs gold plated contacts and 30AWG tinned copper conductors with aluminum foil plus braid shielding to reduce interference. A TPE jacket and straight male-to-male connectors with thumbscrews keep installations neat and secure, so you get consistent signal delivery for workstations, AV racks and display integration tasks.

BLACK EDITION in short:

- Dual link DVI-D, 24+1 pinout, male-to-male, suited for higher-resolution displays and demanding video signals.
- Gold plated contacts and 30AWG tinned copper conductors for stable connectivity and reduced corrosion.
- TPE jacket, 7.3 mm diameter and aluminum foil plus braid shielding for durability and low interference.
- Straight connectors with secure thumbscrew fastening and low-profile metal housings for easy rack and workstation use.
- Note: Designed specifically for DVI-D digital signals, not compatible with analog DVI-A or other connector types.

Product details

Prokord BLACK EDITION transfers digital video between devices using a dual link DVI connection that supports greater bandwidth than single link cables. Gold plated contacts and quality tinned copper conductors help maintain signal integrity over the 3 m length, while comprehensive shielding reduces external interference. The TPE jacket and straight male connectors with thumbscrews give a durable, low-profile connection suited to racks, workstations and AV installations.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Connector 1	DVI-D
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 1 pinout	24+1
Connector 2	DVI-D
Connector 2 gender	Male
Connector 2 form factor	Straight

Connector 2 pinout	24+1
Product colour	Black
HDCP	No
Cable material	Tinned copper
Dual Link DVI	Yes
AWG wire size	30AWG
Connector contacts plating	Gold
Cable jacket material	TPE
Quantity per pack	1 pc(s)

Weight & dimensions

Weight	560 g
Cable diameter	7.3 mm
Package weight	560 g
