

Prokord PB-DVI24+1 10M

Data sheet

Core Specs

Cable length	10 m
Connector 1	DVI-D
Connector 2	DVI-D
Product colour	Black

Summary

- ✓ 10m dual-link DVI keeps stable digital video across long runs
- ✓ Gold-plated 24+1 connectors ensure reliable contact, reduce corrosion
- ✓ Tinned-copper conductors with foil and braid shielding lower EMI
- ✓ TPE jacket and 8.5mm diameter resist wear, support frequent handling
- ✓ Straight, screw-fastening DVI plugs keep rack connections secure

Product description

Why choose this DVI cable?

Prokord BLACK EDITION is a dual link DVI cable engineered to maintain stable digital video over a 10 m run. It combines gold-plated 24+1 male connectors, tinned copper conductors and robust aluminum-foil plus braid shielding with a TPE jacket to reduce interference and resist wear. Choose it when you need dependable display connectivity and flexible device placement in IT or AV setups.

Prokord BLACK EDITION in short:

- 10 m dual-link DVI cable for long runs between source equipment and displays
- Gold-plated 24+1 male connectors with metal housings and screw-style thumbscrews for secure contact
- Tinned copper conductors with foil and braid shielding to minimise electromagnetic interference in dense installations
- Durable TPE jacket and straight connector design for reliable handling and neat rack or studio routing
- Consideration: digital DVI only, and the 8.5 mm diameter may not suit installations needing an ultra-slim cable

Main functions

This cable connects DVI-equipped video sources to displays, supporting higher-bandwidth dual-link transmission for consistent image detail over extended distances. Its shielding and tinned copper conductors help limit signal degradation and interference in control rooms, conference rooms and AV racks. The TPE jacket and screw-style fastening keep connections durable and secure, making installation and maintenance straightforward.

Technical Specification Matrix

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Connector 1	DVI-D
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 1 pinout	24+1
Connector 2	DVI-D
Connector 2 gender	Male
Connector 2 form factor	Straight
Connector 2 pinout	24+1

Product colour	Black
HDCP	No
Cable material	Tinned copper
Dual Link DVI	Yes
AWG wire size	28AWG
Connector contacts plating	Gold
Cable jacket material	TPE
Quantity per pack	1 pc(s)

Weight & dimensions

Cable diameter	8.5 mm
Weight	1375 g
Package weight	1375 g
