Product description

Why choose this toner cartridge?

Gilford Toner Black Ph201xbk 2.8K - Clj Pro M252/M277 provides reliable black prints with a high (XL) yield that reduces cartridge changes and lowers your cost per page. It is designed for steady office use, offering consistent text clarity and dependable performance to keep routine printing efficient and predictable.

Gilford Toner Black Ph201xbk 2.8K - Clj Pro M252/M277 in short:

- High (XL) yield, approximately 2800 black pages, to support continuous printing.
- Compatible with HP Color LaserJet Pro M252 and MFP M274/M277 series for common office printers.
- Single-pack supply, useful for planned inventory replacement.
- Produces sharp, legible black text suitable for reports and standard documents.
- Consideration: only compatible with the specified HP models.

Main functions

The Gilford Toner Black Ph201xbk 2.8K - Clj Pro M252/M277 is a compatible replacement cartridge that fits directly into supported HP printers to restore black printing capacity. It helps reduce downtime by extending run length between changes and delivers consistent density for text and simple graphics. The cartridge is supplied as a single unit, making it easy to stock and replace when you need sustained monochrome output.
