

Fixed Medium Wall Mount Anti-Theft

Data sheet

Summary

- ✓ Anti-theft locking design with pull cords for controlled, quick release and added security in public areas.
- ✓ Fits 32 to 70 inch displays and a wide range of VESA patterns, from 200 x 200 up to 600 x 400 mm.
- ✓ Low-profile mounting at 67 mm depth keeps screens close to the wall for a tidy installation.
- ✓ Supports displays up to 50 kg, suitable for larger flat-panel screens used in signage and conference rooms.
- ✓ Integrated spirit level and elongated wall slots simplify alignment and reduce installation time.

Product description

Why choose this wall mount?

Prokord Fixed Medium Wall Mount Anti-Theft gives you a secure, low-profile way to install displays from 32 to 70 inches. It reduces theft and accidental damage with a locking system and quick-release cords, while a slim 67 mm clearance and built-in spirit level speed up accurate installation. This makes it a practical choice for meeting rooms, corridors, and public signage.

Prokord Fixed Medium Wall Mount Anti-Theft in short:

- Anti-theft locking design with pull cords for controlled, quick release and added security in public areas.
- Fits 32 to 70 inch displays and a wide range of VESA patterns, from 200 x 200 up to 600 x 400 mm.
- Low-profile mounting at 67 mm depth keeps screens close to the wall for a tidy installation.
- Supports displays up to 50 kg, suitable for larger flat-panel screens used in signage and conference rooms.
- Integrated spirit level and elongated wall slots simplify alignment and reduce installation time.

Prokord Fixed Medium Wall Mount Anti-Theft

This wall mount secures commercial displays while keeping installation straightforward. The bracket accepts common VESA patterns and carries heavier panels, so you can standardize mounting across different room types. The locking mechanism and pull-release cords balance theft protection with serviceability, letting authorized staff remove a screen when needed without tools.
