

# Tilt Medium Wall Mount

## Data sheet

### Summary

- ✓ Supports 32" to 75" screens, useful for meeting rooms, classrooms, and reception areas.
- ✓ Holds displays up to 40 kg, suitable for larger monitors and flat-panel screens.
- ✓ Wide VESA compatibility from 100 x 100 mm up to 600 x 400 mm, fitting many panel patterns for easier installation.
- ✓ 0° to 12° tilt adjustment with visible pull cords for safe, simple release and repositioning.
- ✓ Consider that this mount is for wall installation only and not for displays over 40 kg.

# Product description

## Why choose this tilt medium wall mount?

Prokord Tilt Medium Wall Mount gives you a reliable way to secure displays between 32" and 75" while freeing up desk space and improving sightlines. It offers a controlled 0° to 12° tilt and broad VESA compatibility, so you can reduce glare and position screens consistently across meeting rooms, classrooms, or open-plan work areas.

## Tilt Medium Wall Mount in short:

- Supports 32" to 75" screens, useful for meeting rooms, classrooms, and reception areas.
- Holds displays up to 40 kg, suitable for larger monitors and flat-panel screens.
- Wide VESA compatibility from 100 x 100 mm up to 600 x 400 mm, fitting many panel patterns for easier installation.
- 0° to 12° tilt adjustment with visible pull cords for safe, simple release and repositioning.
- Consider that this mount is for wall installation only and not for displays over 40 kg.

## Product details

The Prokord Tilt Medium Wall Mount secures the display close to the wall while allowing small tilt changes to optimise viewing angles and reduce reflections. Its horizontal mounting plate and adjustable brackets accommodate numerous VESA patterns, simplifying fitting different screens without custom adaptors. Visible pull cords act as a quick, safe release for removal during maintenance. The mount is designed to save floor space and provide a stable, repeatable mounting solution for professional installations.
