

Deluxe cart

Data sheet

Summary

- ✓ Supports a single 49"–70" display with a maximum load of 45 kg, ideal for meeting rooms and showrooms
- ✓ Compatible with common VESA patterns up to 600 x 400 mm, and smaller mounts down to 200 x 200 mm
- ✓ 90° rotation and adjustable vertical mount position for flexible viewing and presentation setups
- ✓ Integrated cable management and a media shelf for tidy installations and accessory placement
- ✓ Mobile floor mount with castors, but limited to one display and not suitable for screens above the weight limit

Product description

Why choose this cart?

Prokord Deluxe cart is a floor-mounted display solution that keeps screens secure while letting you adjust viewing angle and position. It supports 49" to 70" screens, rotates up to 90 degrees, and includes cable management and a media shelf. Durable aluminium construction and castors deliver reliable mobility, lower long-term maintenance, and straightforward daily use.

Deluxe cart in short:

- Supports a single 49"–70" display with a maximum load of 45 kg, ideal for meeting rooms and showrooms
- Compatible with common VESA patterns up to 600 x 400 mm, and smaller mounts down to 200 x 200 mm
- 90° rotation and adjustable vertical mount position for flexible viewing and presentation setups
- Integrated cable management and a media shelf for tidy installations and accessory placement
- Mobile floor mount with castors, but limited to one display and not suitable for screens above the weight limit

Prokord Deluxe cart

The Prokord Deluxe cart provides a practical, space-conscious way to install a single large screen for presentations, demos, or classroom use. The display bracket accepts multiple panel mounting interfaces and slides on the central column so you can position the screen where it works best. Built from aluminium, the cart includes a shelf for media devices, routed cable channels to reduce clutter, and castors that let you move the setup between rooms quickly.
