

# Cable Clip 10 Cables End

Data sheet

## Summary

- ✓ Holds up to 10 cables to keep cable runs organized and separated.
- ✓ Grey, unobtrusive design that blends into racks, desks, and cable channels.
- ✓ Simple mounting and secure grip make routine maintenance and cable tracing faster.
- ✓ Supplied as 1 piece per pack for single-point installations or small projects.
- ✓ Consider that it may not be suited for very heavy or bulky cables and is not designed for outdoor or harsh environments.

# Product description

## Why choose this cable clip?

Prokord Cable Clip 10 Cables End gives you a simple, cost-effective way to keep up to 10 cables neat and accessible. Its grey, low-profile design reduces visual clutter and makes cable runs easier to maintain. The clip holds cables securely, helping to reduce accidental disconnections and speeding up routine servicing.

## Cable Clip 10 Cables End in short:

- Holds up to 10 cables to keep cable runs organized and separated.
- Grey, unobtrusive design that blends into racks, desks, and cable channels.
- Simple mounting and secure grip make routine maintenance and cable tracing faster.
- Supplied as 1 piece per pack for single-point installations or small projects.
- Consider that it may not be suited for very heavy or bulky cables and is not designed for outdoor or harsh environments.

## Product details

This cable clip positions and retains multiple cables side by side, making it easier to identify and manage connections in office and AV environments. Prokord Cable Clip 10 Cables End is designed for indoor use where a tidy, durable cable routing solution is needed.
