

Prokord S/FTP-0061

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	7 m
Jacket material	LSZH

Summary

- ✓ Supports 10 Gbit/s at 500 MHz for high bandwidth applications
- ✓ S/FTP shielding reduces interference, preserving signal integrity
- ✓ LSZH jacket limits smoke and halogen, safer for enclosed spaces
- ✓ 26 AWG copper conductors, PoE ready for dependable power delivery
- ✓ RJ-45 male connectors ensure quick plug-and-play installation

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP provides Cat 6A performance in a 7 m, low smoke zero halogen jacket, combining high-speed transmission with improved interference protection. It supports 10,000 Mbit/s and PoE, making it suitable for server rooms, wall-to-switch runs, and patch panels where reliable, safe cabling and straightforward installation reduce downtime and maintenance costs.

TP-Cable S/FTP in short:

- S/FTP shielding minimizes crosstalk and electromagnetic interference for stable connections in dense cabling environments.
- Designed for high-bandwidth links, suitable for 10 Gbit/s applications such as uplinks and backbone patching.
- 7 m length works well for switch-to-wall and rack patching scenarios.
- White LSZH jacket reduces smoke and toxic gases in confined spaces, supporting safer installations.
- Consider that this cable is not intended for routes needing extra mechanical protection or for runs significantly longer than 7 m.

Product details

Prokord TP-Cable S/FTP uses copper conductors and shielded RJ-45 male connectors on both ends to maintain signal integrity across the run. The S/FTP construction provides individual pair foil and an overall braid for robust shielding. The cable is PoE compatible and supplied as a single 7 m unit with a white LSZH jacket for easy routing and safer operation in sensitive areas.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	7 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	White

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
