

Prokord S/FTP-0065

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	0.3 m
Jacket material	LSZH

Summary

- ✓ S/FTP shielding and copper conductors cut interference, improve uptime
- ✓ Short 0.3m length keeps patching tidy in dense racks and cabinets
- ✓ Supports PoE so endpoints like APs and cameras get power and data
- ✓ 10Gbit/s at 500MHz meets modern LAN needs for high throughput
- ✓ LSZH jacket and bright orange colour improve safety and ID

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP is a 0.3 m Cat6A S/FTP patch cable that delivers reliable, low-interference links for compact installations. Copper conductors and full shielding support up to 10000 Mbit/s at 500 MHz and enable Power over Ethernet. The LSZH orange jacket improves safety and makes circuits easy to find in racks and cabinets.

TP-Cable S/FTP in short:

- Shielded S/FTP design reduces electromagnetic interference, ideal for dense rack or patch-panel environments.
- Short 0.3 m length keeps connections tidy between switches and patch panels or within network cabinets.
- Supports 10 Gbit/s throughput and PoE, suitable for high-speed links and powered devices.
- Bright orange LSZH jacket aids identification and lowers smoke and toxic emissions in enclosed spaces.
- Consideration: length limits it to short-distance, indoor applications only.

TP-Cable S/FTP

TP-Cable S/FTP is a ready-made RJ-45 to RJ-45 cable with metal-shielded plugs on both ends. It is designed for short, high-performance connections where you need stable 10G links and reliable PoE delivery. The molded boots and sturdy connectors simplify installation and help protect the connector latch, while the LSZH jacket and vivid colour support safer, more efficient cable management during deployments and maintenance.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.3 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Orange
Jacket material	LSZH
Conductor material	Copper

Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
