

# Prokord S/FTP-0067

Data sheet

## Core Specs

|                 |                      |
|-----------------|----------------------|
| Connector 1     | <b>RJ-45</b>         |
| Connector 2     | <b>RJ-45</b>         |
| Cable standard  | <b>Cat 6A</b>        |
| Cable shielding | <b>S/FTP (S-STP)</b> |
| Cable length    | <b>1 m</b>           |
| Jacket material | <b>LSZH</b>          |

## Summary

- ✓ 10Gbps performance over 500MHz supports demanding network traffic
- ✓ S/FTP shielding and metal RJ45 reduce EMI and crosstalk
- ✓ 26 AWG copper conductors deliver reliable, flexible connectivity
- ✓ LSZH jacket keeps smoke and halogens low in confined spaces
- ✓ PoE ready, powers cameras, phones and access points

# Product description

## Why choose this network cable?

Prokord TP-Cable S/FTP provides reliable, high-speed connections in compact installations. Its Cat6A performance and S/FTP shielding reduce interference, while the LSZH jacket and copper conductors ensure durable, safe operation. The 1 m length and shielded RJ-45 connectors make it practical for patch panels, switches, and PoE devices where space is limited.

## Prokord TP-Cable S/FTP in short:

- Cat6A performance for up to 10000 Mbit/s and support across 500 MHz, suitable for high-throughput links.
- S/FTP shielding and shielded RJ-45 connectors reduce crosstalk and external interference in dense cabling environments.
- 1 m length, ideal for neat patching between switches, patch panels, and wall outlets.
- LSZH jacket and copper conductors for safer use in enclosed spaces and consistent signal delivery.
- Consideration: the short length is not intended for extended runs between distant equipment.

## Product details

Prokord TP-Cable S/FTP is a 1 m, orange Ethernet cable with shielded RJ-45 male connectors on both ends. It is built with 26 AWG copper conductors and S/FTP shielding to keep transmissions stable in environments with nearby electrical noise. The low smoke zero halogen jacket is designed for safer deployment in public or enclosed spaces, and the cable supports Power over Ethernet for direct device power and data over a single connection.

## Features

|                    |               |
|--------------------|---------------|
| Cable length       | 1 m           |
| Cable standard     | Cat 6A        |
| Cable shielding    | S/FTP (S-STP) |
| Connector 1        | RJ-45         |
| Connector 1 gender | Male          |
| Connector 2        | RJ-45         |
| Connector 2 gender | Male          |
| Product colour     | Orange        |
| Jacket material    | LSZH          |

|                           |              |
|---------------------------|--------------|
| Conductor material        | Copper       |
| Data transfer rate        | 10000 Mbit/s |
| AWG wire size             | 26           |
| Frequency                 | 500 MHz      |
| Power over Ethernet (PoE) | Yes          |
