

Prokord S/FTP-0085

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	0.3 m
Jacket material	LSZH

Summary

- ✓ 10 Gbps, 500MHz performance for fast, low-latency network links
- ✓ S/FTP shielding minimizes crosstalk, keeps signals clean
- ✓ LSZH jacket improves safety in confined environments
- ✓ 26 AWG copper conductors support reliable PoE power delivery
- ✓ 0.3m patch length fits dense racks and tight equipment bays

Product description

Why choose this cable?

Prokord TP-Cable S/FTP provides a compact, high-performance Ethernet link for short-distance patching and equipment interconnects. Its Cat 6A design with S/FTP shielding lowers interference while supporting 10 000 Mbit/s at 500 MHz. The LSZH jacket improves safety in enclosed spaces and the green colour makes visual identification fast in dense cabling environments.

Prokord TP-Cable S/FTP in short:

- Short 0.3 m Cat6A patch cable for reliable 10 Gbit/s links in tight rack and switch-to-device connections.
- S/FTP shielding and 26 AWG copper conductors reduce EMI and help preserve signal quality for PoE devices.
- LSZH jacket for low smoke and halogen-free safety where ventilation is limited.
- Green colour aids quick identification among multiple runs.
- Consider that this cable is intended for short interconnects and not for long-distance runs; it requires RJ-45 compatible ports.

Prokord TP-Cable S/FTP

This Prokord TP-Cable S/FTP has male RJ-45 connectors on both ends with metal shielding for secure, low-noise connections. It supports power over Ethernet and works well as a patch lead between switches, patch panels, and nearby devices. The flexible LSZH jacket and compact length make it easy to route in crowded racks while meeting safety and performance needs.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.3 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
