

Prokord S/FTP-0090

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	5 m
Jacket material	LSZH

Summary

- ✓ Supports 10Gbit/s at 500 MHz for reliable high-speed network links
- ✓ S/FTP shielding reduces interference, keeping connections stable
- ✓ LSZH green jacket lowers smoke and halogen risks in indoor spaces
- ✓ Standard RJ-45 plugs and copper conductors enable low-loss transfers
- ✓ 5m length with PoE support simplifies device placement and powering

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP is a Cat 6A S/FTP network cable that delivers reliable 10 Gbit/s data and Power over Ethernet across a 5 m run. Its copper conductors and full shielding reduce interference for stable links. The green LSZH jacket supports safer indoor installations and clear cable identification, helping you lower maintenance and keep networks running smoothly.

Prokord TP-Cable S/FTP in short:

- Shielded Cat 6A cable for stable 10 Gbit/s links in interference-prone environments, suitable for uplinks and switch-to-server connections.
- 5 m length, practical for rack-to-workstation and patching applications in offices and data rooms.
- LSZH jacket and green color for safer indoor use and easy visual identification.
- Supports Power over Ethernet, simplifying installations of access points, IP cameras, and VoIP phones.
- Consideration: intended for indoor or controlled environments and supplied in a fixed 5 m length.

Product details

This TP-Cable S/FTP uses shielded RJ-45 terminations and S/FTP construction to minimise crosstalk and external interference, which improves signal integrity in dense cable runs. The cable supports PoE, so you can power network devices over the same link you use for data. The LSZH outer jacket reduces toxic smoke in the event of a fire, making the cable a practical choice for office floors and enclosed technical spaces.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	5 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
