

Prokord S/FTP-0092

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	10 m
Jacket material	LSZH

Summary

- ✓ 10m Cat6A cable supports 10 Gbit/s at 500MHz for high-speed links
- ✓ S/FTP shielding and copper conductors cut crosstalk, keep signals clean
- ✓ LSZH jacket reduces smoke and toxic fumes in confined spaces
- ✓ RJ45 shielded plugs with secure boots provide stable, low-loss connections
- ✓ PoE support lets you power devices without extra power cabling

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP is a reliable 10-meter Cat6a network cable that delivers up to 10000Mbit/s at 500MHz. Its S/FTP shielding and shielded RJ-45 connectors reduce interference, while the green LSZH jacket provides safer indoor installation and clear colour coding. You get stable data transfer and Power over Ethernet support for devices such as access points and PoE cameras.

TP-Cable S/FTP in short:

- Ideal for 10 Gigabit Ethernet connections between switches, patch panels and servers over short to mid-length runs.
- S/FTP shielding and metal RJ-45 housings reduce electromagnetic interference and crosstalk in busy installations.
- Green LSZH jacket limits smoke and toxic gases in case of fire and simplifies cable identification.
- Supports Power over Ethernet, so you can power access points, VoIP phones and surveillance cameras without separate power runs.
- Not recommended for outdoor use without additional protection.

TP-Cable S/FTP

This ready-to-use patch cable features molded boots and shielded RJ-45 male connectors that help preserve shielding continuity and provide a secure fit. The 26 AWG copper conductors maintain consistent signal quality across the 10 m length, and the LSZH jacket meets indoor safety requirements. Use the cable to connect switches, patch panels, PoE devices and network appliances where high bandwidth and reduced interference are important.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Green

Jacket material	LSZH
Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
