

Prokord S/FTP-0095

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	0.3 m
Jacket material	LSZH

Summary

- ✓ Cat6A performance, supports 10 Gbit/s at 500 MHz for fast links
- ✓ S/FTP shielding reduces interference for stable connections
- ✓ LSZH jacket and copper conductors improve safety and longevity
- ✓ Shielded RJ-45 plugs on both ends, 0.3m length, PoE ready

Product description

Why choose this Ethernet cable?

Prokord TP-Cable S/FTP delivers reliable, high-speed links for tight installations where space and interference control matter. It meets Cat 6A performance for 10 Gbit/s at 500 MHz, supports Power over Ethernet for powered devices, and uses S/FTP shielding plus an LSZH jacket to reduce interference and improve safety in enclosed or public spaces.

Prokord TP-Cable S/FTP in short:

- Cat 6A cable for 10 Gbit/s connections and high-frequency applications.
- S/FTP shielding and shielded RJ-45 plugs to minimise electromagnetic interference.
- LSZH jacket and copper conductors for safer, long-lasting installations.
- 0.3 m length, ideal for patching between adjacent ports or tidy switch-to-switch links.
- Note: not suitable for long-distance connections due to its short length.

Product details

The Prokord TP-Cable S/FTP has male RJ-45 connectors on both ends and a 0.3 m length that fits dense racks and short patch runs. Copper conductors and 26 AWG wiring preserve signal integrity while the shielded design protects against crosstalk and external noise. The yellow LSZH jacket makes the cable easy to identify in cable bundles and meets safety expectations for indoor deployments.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.3 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Yellow
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
