

Prokord S/FTP-0102

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	10 m
Jacket material	LSZH

Summary

- ✓ Cat6A performance delivers stable 10 Gbit/s for heavy data loads
- ✓ S/FTP shielding cuts interference, keeping links reliable in dense setups
- ✓ Metal shielded RJ45 plugs give secure contact and effective grounding
- ✓ LSZH jacket improves safety in offices and equipment rooms
- ✓ PoE support powers cameras and access points without extra cabling

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP delivers reliable high-speed connectivity for professional network environments. Built to Cat 6A standard with S/FTP shielding and a low smoke zero halogen jacket, it reduces interference and improves safety while supporting Power over Ethernet. The 10 m cable with copper conductors and male RJ-45 connectors suits patching, device connections, and structured cabling indoors.

TP-Cable S/FTP in short:

- Cat 6A performance for up to 10 Gbit/s links, suitable for uplinks and backbone patching
- S/FTP shielding and metal RJ-45 plugs reduce electromagnetic interference in noisy installations
- Yellow LSZH jacket improves visibility and lowers smoke and halogen risks in indoor spaces
- Supports Power over Ethernet, useful for PoE cameras, access points, and VoIP phones
- Fixed 10 m length, check routing needs and note the cable is intended for indoor use only

Product details

The Prokord TP-Cable S/FTP uses 26 AWG copper conductors and male-to-male RJ-45 connectors to provide stable connections over a 10 metre run. Its S/FTP construction combines an overall braid with individually shielded pairs to limit crosstalk and external interference, supporting performance at frequencies up to 500 MHz. The LSZH jacket makes the cable a safer choice for offices, schools, and data rooms. Use it for switch patching, device connections, and structured cabling where reliable, shielded indoor links and PoE support are required.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Yellow
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
