

Prokord S/FTP-0115

Data sheet

Core Specs

Connector 1	RJ-45
Connector 2	RJ-45
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Cable length	0.3 m
Jacket material	LSZH

Summary

- ✓ Shielded S/FTP construction reduces EMI for stable short runs
- ✓ Cat6A performance at 10000Mbit/s, supports high data loads
- ✓ LSZH jacket reduces toxic fumes and smoke in enclosed spaces
- ✓ 0.3m length suits short cable runs, keeps racks and desks tidy
- ✓ PoE compatible with 26AWG copper conductors for steady power

Product description

Why choose this network cable?

Prokord TP-Cable S/FTP delivers reliable short-range 10,000Mbit/s connectivity with robust S/FTP shielding and shielded RJ-45 connectors. The low smoke zero halogen (LSZH) jacket improves safety in enclosed spaces. At 0.3 m the cable is convenient for tidy switch-to-panel or switch-to-device links and supports Power over Ethernet for straightforward PoE deployments.

TP-Cable S/FTP in short:

- Cat 6A performance for 10,000Mbit/s and up to 500 MHz, suited for high-throughput short links.
- S/FTP shielding and metal-shielded RJ-45 plugs reduce electromagnetic interference in dense racks.
- 0.3 m length, ideal for patching in cabinets, racks, and close-proximity connections.
- LSZH jacket improves safety in confined or public spaces and the cable supports PoE devices.
- Consideration: designed for short runs, not for long-distance networking.

Product details

Prokord TP-Cable S/FTP uses 26 AWG copper conductors with RJ-45 male connectors on both ends and an S/FTP (foil and braid) shielding structure to maintain signal integrity in noisy environments. The compact 0.3 m form factor keeps cabling neat in server rooms and network cabinets. The LSZH jacket limits smoke and hazardous gases, and PoE compatibility simplifies powering connected devices.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	0.3 m
Cable standard	Cat 6A
Cable shielding	S/FTP (S-STP)
Connector 1	RJ-45
Connector 1 gender	Male
Connector 2	RJ-45
Connector 2 gender	Male
Product colour	Black
Jacket material	LSZH

Conductor material	Copper
Data transfer rate	10000 Mbit/s
AWG wire size	26
Frequency	500 MHz
Power over Ethernet (PoE)	Yes

Packaging data

Quantity per pack	1 pc(s)
-------------------	---------

Logistics data

Harmonized System (HS) code	84733080
