

Fixed Large Wall Mount

Data sheet

Summary

- ✓ Supports 47" to 100" screens and up to 60 kg, suitable for large conference displays and commercial signage.
- ✓ Wide VESA compatibility from 200 x 200 up to 800 x 600 mm, covering many panel mounting patterns for easier replacement.
- ✓ Fixed, low-profile design keeps the screen close to the wall for a neat, stable installation.
- ✓ Vertical rails include pull-release cables for secure locking and straightforward removal during maintenance.
- ✓ Note: this is a fixed landscape mount only, so plan height and viewing angle before installation.

Product description

Why choose this wall mount?

Prokord Fixed Large Wall Mount is a sturdy, low-profile bracket that secures large flat screens for meeting rooms, digital signage, and public spaces. It helps you save wall space and provides reliable support for heavy screens, while broad VESA compatibility reduces time spent matching mounts to different display models.

Fixed Large Wall Mount in short:

- Supports 47" to 100" screens and up to 60 kg, suitable for large conference displays and commercial signage.
- Wide VESA compatibility from 200 x 200 up to 800 x 600 mm, covering many panel mounting patterns for easier replacement.
- Fixed, low-profile design keeps the screen close to the wall for a neat, stable installation.
- Vertical rails include pull-release cables for secure locking and straightforward removal during maintenance.
- Note: this is a fixed landscape mount only, so plan height and viewing angle before installation.

Product details

The Prokord Fixed Large Wall Mount secures a single display to the wall with strong mounting rails and a compact footprint. It fits a broad range of panel interfaces, which simplifies screen swaps and standardises installation across different models. The included pull-release cords make it easier to unhook the screen for service, and the single-pack supply contains everything you need to mount one display.
