# Product description

## Why choose this adapter?

Prokord Adapter HDMI Lszh provides dependable HDMI-to-HDMI coupling with straight female connectors, making it simple to join or extend HDMI cables without changing signal flow. Its LSZH construction reduces smoke and toxic gas in a fire, supporting safety requirements for indoor and commercial installations. The compact black finish keeps setups tidy and professional.

## Prokord Adapter HDMI Lszh in short:

- Female-to-female straight HDMI coupler for joining two HDMI cables to extend reach
- LSZH housing reduces smoke and toxic emissions, suitable for indoor installations
- Compact black design for discreet use in racks, AV cabinets, and workstations
- Visible gold-coloured contact surfaces for reliable mating and low contact resistance
- Consideration: only compatible with HDMI equipment and straight connector configurations

## Practical use

This compact adapter joins two HDMI cables to extend length or simplify device placement when replacing cables is impractical. The straight connector form factor fits standard HDMI ports without creating sharp bends. Its LSZH jacket helps you meet safety standards in offices, classrooms, and public buildings while the black casing blends into professional AV and IT environments.
