

Solar Wireless Keyboard S02WL - Stylish Wireless Keyboard with Solar PowerWireless Nordic

Data sheet

Summary

- ✓ Voxicon Solar Wireless Keyboard S02WL
- ✓ USB receiver for wireless connection
- ✓ Instruction manual for quick and easy installation

Product description

Voxicon Solar Wireless Keyboard S02WL - Stylish Wireless Keyboard with Solar Power

Experience the future of technology at your workstation. The Voxicon Solar Wireless Keyboard S02WL is designed for the environmentally conscious user who does not want to compromise on performance. With advanced solar technology, wireless RF connectivity, and stylish design, this keyboard offers a perfect balance of durability, convenience, and efficiency.

Solar Powered for Sustainable Use

The Voxicon Solar Cell Wireless Keyboard S02WL is equipped with built-in solar cells, which means you don't have to worry about battery changes or continuous charging. By collecting energy from both sunlight and indoor lighting, the keyboard gets the energy it needs to keep you productive throughout the working day. An eco-friendly solution that keeps both your workspace and the planet green!

No Battery Anxiety - Full Chargeless Freedom

Thanks to the revolutionary solar solution, you don't have to worry about your keyboard stopping in the middle of important work. Use your keyboard anytime, anywhere, and without worrying about battery changes! Just a small amount of solar power or lighting is enough to keep it running - perfect for those who value convenience and sustainability.

Super Easy and Powerful Wireless Connectivity

With the included USB receiver, you can connect your keyboard wirelessly and securely from up to 10 meters away, giving you total freedom to move around your workspace or couch. Experience a fast, stable connection via 2.4 GHz frequency that allows you to work without interference.

Ergonomic Design with Smooth Functionality

The Voxicon Slim Solar Cell Wireless Keyboard is built for comfort and efficiency. The low, quiet, and concave keys provide a pleasant typing experience and make every stroke easy and precise. The design is not only stylish but also functional, with multimedia keys and a full-size layout, including a numeric keypad.

What's included?

- Voxicon Solar Wireless Keyboard S02WL
- USB receiver for wireless connection
- Instruction manual for quick and easy installation

For a Sustainable and Efficient Work Experience

Unleash productivity without worrying about batteries or cables. The Voxicon Solar Wireless Keyboard S02WL is perfect for both the office and home office. With an eco-friendly solution for an easier workflow, this keyboard is the best choice for the modern, sustainable user.

Build your workstation in a smart and sustainable way by combining this keyboard with an eco-friendly mouse or mouse pad for a complete working environment.

Let your typing be efficient and your workspace sustainable!

Technical Specification Matrix

Keyboard number of keys	111
Numeric keypad	Yes
Keyboard keys operating life	3 million characters
International Protection (IP) code	IPX3
Physical layout	ISO
Windows keys	Yes
Hot keys	Yes
Keyboard key profile	Low-profile
Certification	CE, FCC, RoHS
Multi-device support	No
Keycaps material	Acrylonitrile butadiene styrene (ABS)
Programmable hot keys	No
Multimedia keys	Yes
Number of hot keys	14
Noise level	50 dB
USB hub	No
Key travel distance	1.5 mm
Actuation force	80 g
Fingerprint reader	No
Frequency band	2.4 GHz

Key response time (max)	8 ms
Silent keys	No
Country of origin	China
On/off switch	Yes

Design

Backlight	No
Adjustable keyboard height	No
Product colour	Black
Battery LED indicator	Yes
Material	ABS+Galvanized plate

Features

Wireless range	10 m
Detachable cable	No
USB connector type	USB-A
Anti-ghosting	Yes
Hot-swap	No

Power

Power source type	Battery, Solar
Keyboard battery type	NiMh
Battery life (max)	30 h
Battery capacity	600 mAh
Rechargeable	Yes
Auto power off	Yes
Battery recharge time	2 h
Charging source	Solar

System requirements

Windows operating systems supported	Windows
-------------------------------------	---------

Weight & dimensions

Keyboard dimensions (WxDxH)	438.48 x 155.58 x 20.27 mm
Keyboard weight	740.9 g

Operational conditions

Operating temperature (T-T)	0–40 °C
Storage temperature (T-T)	-10–60 °C
Operating relative humidity (H-H)	10–85 %
Storage relative humidity (H-H)	10–85 %

Packaging data

Receiver included	Yes
Number of products included	1 pc(s)
Wireless receiver interface	USB Type-A
Receiver type	Mini receiver
Receiver dimensions (WxDxH)	15 x 6 x 19 mm
Batteries included	Yes
Receiver weight	1.8 g
User guide	Yes
Package width	161 mm
Package depth	451 mm
Package height	26 mm
Package weight	886.4 g
Package type	Box

Packaging content

Manual languages	English
AC adapter included	No
